"Big Ass Truck"

I've got a big ass truck. it's got a 383 that's been built right up. it's lowered right down to the ground. it'll beat every cop in this fuckin' town. my truck eats fords and shits out chevies. we moke fat doobies and drink cold be vies. we're like higly selasie (sic) and julio iglesias, kickin' up the tunes and gettin' high. so get outta the way of my big ass truck. 'cause i'm pissed up drunk and i don't really give a flyin' fuck. round and round the block we go. looking for a 20 dollar ho. i see the cops out up front. i think we better bail on cunt. my truck eats fords and shits out chevies. we moke fat doobies and drink cold be vies. we're like higly selasie (sic) and julio iglesias, kickin' up the tunes and gettin' high. so get outta the way of my big ass truck. 'cause i'm pissed up drunk and i don't really give a flyin' fuck.
