Crazy!

VERSE ONE

Girl what do you want me to do
Do you want me to stay or do you want me to wait
IÂ'm not a pendulum to you to sway
Sometimes youÂ're dark as night
But Sometimes youÂ're bright as day
So which extreme do you want to choose
Look what you have done to my mental state
IÂ'm going through an episode, watch out I think its too late.

CHORUS

Crazy
I think I lost my mind today
But to my dismay
IÂ've been led astray
Cause you betrayed me
And baby you caused some kind of disarray
(whatÂ's happening to you and me)
She canÂ't make up her mind
I swear this is my last time
See I canÂ't control her
I guess sheÂ's bipolar

VERSE 2

Girl if you knew just how much I love you
(but the way you been acting lately got me questioning
if its true)
But you wouldnÂ't know nothing about that boo
Hold that thought ima throw you a clue
Or maybe you'll see my point of view
My diagnosis of the illness that affects you could put
our lives at stake
Look what youÂ've done to my mental state
IÂ'm going through a episode, watch out I think its too late.

CHORUS

HOOK

Shes suffering I know
Shes suffering I know
She swing both ways man yeah she bi
Got me wondering why
Why why why is shorty bi, bi, bi
Shes suffering
Shes suffering
IÂ'm not gone tell a lie
I wanna be yo guy
You gotta hit the road before I lose control

CHORUS
