

Day26 "Come With Me"

Visit "[Come With Me](#)" on MotoLyrics.com

I gotta get outta here
Damn, I'm feining
I need it, I want it
I just can't sit here

Lonely at the crib
Had to get out and search for me a honey dip
(Dipped out)
Listening to 'Sexual Healing'
A girl who can give me that feeling
(Oh, ah, ah)

A girl that's 'bout it
Yes, she gotta be 'bout it
(Aye)
Wait, she's so serious
Wanna get up to my crib tonight

We got a lot in common
If you take the time to find out
We can chop it up if you want
But it's gone slow us down

Just go and hop up in the whip
I ain't tryna cover it up
What I really want is to uh, uh, uh

Come with me
I'll put you fast asleep
You'll be waking up with me
3:00 in the morning
Feining, asking for more

Come with me
I'll put you fast asleep
You'll be waking up with me
3:00 in the morning
Feining, asking for more

Pulled up to the club
Said, don't tell me 'cause I had to talk to her
Don't worry 'bout your friends

I'll get you home to tell the truth
I was gaming her 'cause

She was looking ready
I told her to come with me
Girl, anything you'll find in there is here
So let's get busy, oh

We got a lot in common
If you take the time to find out
We can chop it up if you want
But it's gon' slow us down

Just go and hop up in the whip
I ain't tryna cover it up
What I really want is to, uh, uh, uh

Come with me
(Come with me)
I'll put you fast asleep
(I'll put you fast asleep)
You'll be waking up with me
3:00 in the morning
Feining, asking for more

Come with me
I'll put you fast asleep
(You said I'll put you to sleep)
You'll be waking up with me
3:00 in the morning
Feining, asking for more

We at the crib now, so I gotta get it, get it
Yes, I know you're down for it
Tell me where you want me to touch
And I'll kiss it, kiss it

I'm going all the way
'Cause this is an attraction, we gotta go at it
So once I lay you down, you'll make those sexy sounds
Fall asleep and wake up for me

Come with me
I'll put you fast asleep
You'll be waking up with me
(Waking up)
3:00 in the morning
(In the morning)
Feining, asking for more

Come with me

(Come with me)
I'll put you fast asleep
(You and me)
You'll be waking up with me
3:00 in the morning
(Morning)
Feining, asking for more

Come with me
(Come with me)
I'll put you fast asleep
You'll be waking up with me
3:00 in the morning
(Come on)
Feining, asking for more

Come with me
I'll put you fast asleep
You'll be waking up with me
3:00 in the morning
Feining, asking for more

Come with me
I'll put you fast to sleep
I'll have you up at 3:00, oh

Come with me
I'll put you fast to sleep
I'll have you up at 3:00, oh

Damn, I'm feining
I need it, I want it
