

Day26 "Girlfriend"

Visit "[Girlfriend](#)" on MotoLyrics.com

No, no, no

I gotta slow down
And find the one that's right for me
I'll be on the look out
Please tell me where could she be

I'm sick and tired of struggling
And still can't find the one
When I find that perfect shawty
I swear that I'm done

These phonies make it hard to see
Please reveal yourself to me
I know she's waiting for me I believe

Is she on my left?
Is she on my right?
Is she in the middle?
Is she here tonight?

I been searchin' high, I been searchin' low
I don't wanna search no mo'
I need a girlfriend, a girlfriend
I need a girlfriend, I need a girlfriend

Seems like I'm close now
Something's in the air tonight
I don't wanna fool around
I'm on the biggest mission of my life

I'm sick and tired of struggling
And still can't find the one
When I find that perfect shawty
I swear that I'm done

All these phonies make it hard to see
Please reveal yourself to me
She's somewhere waiting for me I believe

Is she on my left?
Is she on my right?

Is she in the middle?
Is she here tonight? Ooh yeah

I been searchin' high, I been searchin' low
I don't wanna search no mo'
I need a girlfriend, a girlfriend
I need a girlfriend, I need a girlfriend

I need somebody to hold
Need somebody to talk to when I'm out on the road
Need somebody to heat the bed when it's cold
Get tired of automatic
She's my for sure, yeah, she's my for sure

I'ma pull out the car
But you can't be too far
I'm not giving up until I reach you, girl
I just need that one to share my world

Is she on my left?
Is she on my right?
Is she in the middle?
Is she here tonight?

I been searchin' high, I been searchin' low
I don't wanna search no mo'
I need a girlfriend, a girlfriend
I need a girlfriend, I need a girlfriend

Is she on my left?
Is she on my right?
Is she in the middle?
Is she here tonight?

I been searchin' high, I been searchin' low
I don't wanna search no mo'
I need a girlfriend, a girlfriend
I need a girlfriend, I need a girlfriend
