Q:

You know what exactly what was going on
When we first kicked it off
I told you that I had a girlfriend
But you still went along ohhh

Brian:

Wearing sexy clothes trying to seduce me
Girl I must admit I was into it
Then we start getting crazy
We're all hot and sweaty coz we both know what is
going down

Robert:

I'm pulling on your hair while I'm working on your back
making you moan
Switch positions you on top screaming baby don't you
stop losing control
Said you never had somebody put it on you like this,
like this
And know you got feelings babe and know you want me
to leave my lady but I won't, I won't

Q:

Sometimes I think its time for us to go our separate
ways nooooo
But then I remember all the times we spent making love
baby

Mike:

And I think to myself I can't be without you
Start thinking bout my girl how I can't breathe without
her
Every time I try to let you know I can't take anymore and
you know it starts going down

Willie:

I start pulling on your hair while working on your back
making you moan
Now switch positions you on top screaming baby don't
you stop losing control

Coz you never had someone to put it on you like this
like this
And now you got feelings babe and ask me to leave my
lady and my answer to you is I won't, I won't
