

Day26

"Let's Get Drunk"

Visit "[Let's Get Drunk](#)" on MotoLyrics.com

I got a few bucks and nothing to do
Let's spend some quality time, just me and you

I don't give a shit how I feel tomorrow
I wanna do it right now cause all my time is borrowed

Let's get drunk
Let's get drunk right now
Let's get drunk till we're falling down
And barfin' all over the ground

The days are long and hard
The week is seven times harder
I think we deserve a break
So let's go out and get hammered

Let's get drunk
Let's get drunk right now
Let's get drunk till we're falling down
And barfin' all over the ground

I think it would be OK if I got drunk everyday
'cause if I was a wino I'd never have to be on time-o

It doesn't matter if the bar won't let us in
We can get a bottle of gin
We can hang out under the bridge
And drink until we're losing it
