(Brian/Spoken)

C'mon over
Why you actin' all shy
Don't act like you've never
Done that before
C'mon & get it

(Que)

Lovin' the way you fit in them jeans
You're looking at me you're ready
I can tell by the way
You're lickin' you lips
And switchin' your thighs
You're ready

(Will)

Would I be out of line
To cut to the chase
To see what's on your mind
Or should I just wait
I'm thinkin' I should tell her
Chance is she's probably gonna
Be down for whatever

(Hook)

And we've got a one nite stand
Tonite me and you
One nite only (repeat)
A one nite stand tonite me and you
One nite only (repeat)
You ain't gotta tell nobody
I won't tell nobody
Only want to touch your body tonite
Can we have one nite stand tonite me and you
One nite only

(Brian)

If you say it's okay
I'm willing to play
You already know I'm ready
I'll be home around 10

Can you make it by then
You better be ready

(Robert)
Girl whatever the time
You're gonna get it
Cuz you've been on my mind
Ever since we met
Oh and I'm glad you're with it
A lot of other girls break-up
But they just won't admit it

(Hook)
And we've got a one nite stand
Tonight me and you
One nite only (repeat)
A one nite stand tonight me and you
One nite only (repeat)
You ain't gotta tell nobody
I won't tell nobody
Only want to touch your body tonight
One nite stand tonight me and you
One nite only

(Mike)
I want a bad girl
A chick that ain't afraid
To be a freak in the sheets
Bring me down on my knees
I need a bad girl
I'm looking for the shawty
To come home with me
And she's willing to please
I said oh oh...

Hook until fade
