Shawty, wat's up? I'm in town for one night
I need somebody to come take a drink with me
Wat's up? I'm in mile seventy four, you might know
were to go
Shawty, what it's gon' be if you're with it tonight
You gotta let me know, shawty, wat's up? She's with it
tonight

But then we poping champagne, buying all the bottles
Shawty looking good, something like a model
You can be with, let me know when you finish
Got my bank roll on, maybe you can help me spin it

Used to stare at night, now you can get to business
If you know what's good, if you know what's good
Normally I post up in or out
Here's my number shawty give me a call

Shawty, wat's up? I'm in town for one night
I need somebody to come take a drink with me
Wat's up? I'm in mile seventy four, you might know
were to go
Shawty, what it's gon' be if you're with it tonight
You gotta let me know, shawty, wat's up? She's with it
tonight

Shawty want another drink, get another bottle
Buying up the bar flying out tomorrow
Give me a tab, I'm takin' cab ready to go
One day I gotta fly up to my hood

We in the zone, don't off that petrone
While the DJ still playing my song
I got the keys to the ride, eight, she's certified
Yes, shawty gotta ride with me

Shawty, wat's up? I'm in town for one night
I need somebody to come take a drink with me
Wat's up? I'm in mile seventy four, you might know
were to go
Shawty, what it's gon' be if you're with it tonight
You gotta let me know, shawty, wat's up? She's with it

tonight

Girl, I know you've been listening
Wishing you could be rolling with me
Well, tonight is your chance, cancel all your plans
You don't know what your missing till you give it up
away

I can take your number later on
When you see my number on your phone
You already know what it is
So get yourself together whatever you wanna do
We can do it, ain't nothing to it

Shawty, wat's up? I'm in town for one night
I need somebody to come take a drink with me
Wat's up? I'm in mile seventy four, you might know
were to go
Shawty, what it's gon' be if you're with it tonight
You gotta let me know, shawty, wat's up? She's with it
tonight

Shawty, wat's up?
