S O G double O D  
S O G double O D  
S O G double O D, watch this, let's go

When I put it down I put it down for really  
When you come around you know you're about to feel it  
Don't you try and play aroun'  
'Cause you know I'm about to lay you down

I know you closed 'cause there ain't no jump off  
But your skin so soft, they have to come off  
I promise I won't try to pressure you  
Just make up your mind what you wanna do, let me help  
you

Baby, close the door, I'll show you what's in store for  
you  
Everything and more so please just close the door  
'Cause I want you to myself, don't need nobody else  
'Cause being alone with you feels so good, so good

(So good)  
That's why I can't live without it  
(So good)  
There ain't no questions about it

(So good)  
That's what it is  
(So good)  
That's what it is  
(So good, so good)  
Hey, so good, so good

When I put it down I put it down for really  
You won't even know what you're on the ground to seal  
it  
Feel it in your body  
Like your favorite rhythm when you at the party, hey

I'll be your DJ, tell me what to play, girl  
I won't even play, just keep it on replay, girl  
I'm ain't tryna pressure you

Just make up your mind what you wanna do, let me help  
you

Baby, close the door, I'll show you what's in store for  
you

Everything and more so please just close the door  
'Cause I want you to myself, don't need nobody else  
'Cause being alone with you feels so good, so good

(So good)

That's why I can't live without it

(So good)

There ain't no questions about it

Girl, there's something that you need to know  
You need to know, I think you need to know, girl  
(Seen the way you move)  
You need to know  
(Seen the way you move)  
I think you need to know, girl

Seen the way you walk  
Seen the way you talk  
The way you move, the things you do

Baby, close the door, I'll show you what's in store for  
you

Everything and more so please just close the door  
'Cause I want you to myself, don't need nobody else  
'Cause being alone with you feels so good, so good
