

Day26

"Spy Vs. Spy"

Visit "[Spy Vs. Spy](#)" on MotoLyrics.com

Murder, seduction lechery and treason the course is plotted and it's been mapped out it's time to execute the plan at hand to begin it's time to unfurl before the eyes of the world waiting patiently for this the moment when all is real and I feel keenly skilled not counterfeit Take the next train to the border there you will receive orders hidden in a briefcase underneath the water follow the instruction telling you the function coordinates recorded on a microchip Caution, red light means paddle to the boathouse creep past the docks and then swim further out and if you're caught it's death don't confess, they'll tie you up and you'll be shot mission impossible some how made possible with your machine gun and your clip is full screw on the silencer the coast is clear have no fear Take the next train to the border there you will receive orders hidden in a briefcase underneath the water follow the instruction telling you the function coordinates recorded on a microchip operation sublimation spy versus spy real life under the wicked sky on any pitch black night decoded message sent and S.O.S. to men the end I swear I fear this is the end.
