### "Then There's You"

*[Verse 1 (Willie)]*

I woke up stressin yesterday  
I went 2 sleep the same way  
1st thing that I saw dis mornin  
Was ur face  
I think 2day I'll b ok  
Thank you baby

*[Chorus]*

Amazing how just one kiss  
Makes the drama not exist  
& when the walls start closing in  
Then ders you  
Rescuing me  
And when the walls start crumbling  
Then ders you  
Hey if I aint got nuthin else ders always you

*[Verse 2 (Robert)]*

Oooo & ur soothing massage  
After I've been workin hard  
U cater 2 my needs unselfishly  
& in dis crazy world  
U r my sanity  
I thank you baby

*[Chorus]*

Amazing how just one kiss  
Makes the drama not exist  
& when the walls start closing in  
Then ders you  
Rescuing me  
And when the walls start crumbling  
Then ders you  
Hey if I aint got nuthin else ders always you

*[Bridge (Brian)]*

Ooo shes the only one that knows how 2 calm my  
nerves  
Thank you baby

Ooo how my mind goes  
Nobody else knows but her  
But her

*[Chorus x2]*

Amazing how just one kiss  
Makes the drama not exist  
& when the walls start closing in  
Then ders you  
Rescuing me  
And when the walls start crumbling  
Then ders you
