The mayor of nipean took a walk in the park  
To admire the beauty of his man made nature  
He came upon a sight that made him blood run cold  
So he called upon the mighty lord to help him fight his  
foe

It was two dogs fucking  
Stuck ass to ass  
Entwined in bestial romance

It was obscene so he called the police  
They sent an officer named him fitzgibbons  
They came up with a plan that involved a bucket of cold  
water  
To be thrown upon the fornicating demons  
But they had to face...

It was two dogs fucking  
Stuck ass to ass  
Entwined in bestial romance

Their plan was successful at seperating the beasts  
But there were bigger forces at work here  
The male began to change into a terrifying creature  
That was the cross between a pitbull and a  
tyrannosaurs rex

As it turns out the male dog was actually an unusual  
alien life form on a trip across the galaxy that had  
stopped off on earth to check out the attractions and  
pick up a quick piece of tail when it was rudely  
interrupted by our heroes it became enraged at their  
indiscretion and immediately brought an end to all life  
as we know it

All because they couldn't stand the sight of....
