Good morning, world  
It's a brand new day  
I'm packing my bags  
And I'm getting away

I'm moving my legs  
And my city tired bones  
I gotta get away from  
The busy man's phone

(CHORUS)  
Down in Malibu  
The living is wild and free  
If you wanna get happy  
Then, people, come along with me  
Be bow bow bow...

Move along, boys  
Save a place for me  
I'm getting so tired  
Of the company

I'm getting bad looks  
From the big, bad man  
Aw, gotta get away  
Just as fast as I can

(CHORUS)

Good morning, freedom  
Gotta break away  
Gotta break away  
Gotta break away  
Yeah, yeah

Good morning, freedom  
It's another day  
It's another day  
It's another day  
Yeah, yeah

Good morning, freedom

Yeah, be bow bow bow...

All over the world  
It's the same old game  
Official type living  
Is the thing to blame

Loving thy neighbor  
Is a real life thing  
There's only one way  
To get the people to sing

(CHORUS)

Be bow bow bow...
