

Daydream Cycle "Avenue"

Visit "[Avenue](#)" on MotoLyrics.com

We both still have a lot
To learn about each other
That just can't be discussed

And sometimes we would have
To learn the hard way
And sometimes I've thought of giving up

But every time I do
I think that it would hurt much more if I left you

We've always heard it's what's inside that matters
Well I don't think it's true

When the outside's being found
In someone better
It just makes me feel like giving up

But every time I do
I think that it would hurt much more if I left you

I guess what I just want is your satisfaction
For me to understand

And every time you would
I think that it won't hurt
If you would just try to

If you would just try to...
