Hearts Tear
And the poison spills out.
There's no
'Love' cause it's putrid.
It Rots
With Black and white memories
Of relations
Memories of bleeding Organs
That have
Turned Black
Turned black, Oh!

Your feelings
Were traded in
For intoxication
And self-hatred

There's no
Secret path you
Can take
Down this road
Sticks and stones
Will puncture
Your soul
As you slip
You'll slip
You'll fall
You'll fade

Your feelings
Were traded in
For intoxication
And self hatred
Wrap yourself
In sheets of cement
And dream of love songs
I'll never sing

Poison spills
From your mouth
And onto these streets
Of sorrow.

Peel... your... eye... lids... open... to... recognise
The sun shines, bright on a new day
Bright on a new day

This day is so dull with my half dead new world

Your feelings
Were traded in
For intoxication
And self-hatred
Wrap yourself
In sheets of cement
And dream of love songs
I'll never sing.
