Everyday it's the same phrase  
Playing over in my head  
What if tomorrow comes too late?  
What if there's no chance for change?

Get back in line  
Your problem's out there  
Somewhere out there  
Reach for the sky, love  
When you're at the end  
Of your line

I've caught myself in  
False romance  
What matters most is lost again  
And everything else shatters (They say)

Get back in line

Your problem's out there  
Somewhere out there  
Reach for the sky, love  
When you're at the end  
Of your line

Don't throw life away  
Don't throw love away  
Don't give yourself away  
Don't throw your heart away

Get back in line  
Your problem's out there  
Somewhere out there  
Reach for the sky, love  
When you're at the end  
Of your line

Line line, line, yeah, yeah
