It's just a quarter past eight
Right by the phone you wait
Stay up all night to hear my voice
You don't know where I am
The truth is I'm all alone
Right by the telephone
Three days have passed since we've last spoken
I don't know where I've been

Say what you want to say to me
We're running in circles
Take what you want to take from me
We're going nowhere fast
I'm not sorry, no I'm not sorry, no I'm not sorry
For all my imperfections
I'm not sorry, no I'm not sorry, no I'm not sorry
For all my imperfections
I'm not sorry, I'm not sorry

An ocean we'll never cross
I can't replace what we've lost
This Brooklyn bridge is burning down
Between your heart and mine
Words that we never spoke
Promises that I broke
It doesn't matter if I'm wrong or right
Cause I'm wrong everytime

Say what you want to say to me
We're running in circles
Take what you want to take from me
We're going nowhere fast
I'm not sorry, no I'm not sorry, no I'm not sorry
For all my imperfections
I'm not sorry, no I'm not sorry, no I'm not sorry
For all my imperfections
I'm not sorry, no I'm not sorry, no I'm not sorry
For all my imperfections
I'm not sorry, no I'm not sorry, no I'm not sorry
For all my imperfections

I can lose you
I can find you
If I chose to
I can't hide it
I can't fight it
I'll admit it
I said too much
But not enough

I'm not sorry, no I'm not sorry, no I'm not sorry
For all my imperfections
