This is the time
To make things right
But I can't go on
And all these people with their lives so stable
They're in denial hit the ground but in style today

What have we got to lose
Can't you see, call me crazy but
I can't live like this
What have we got to lose
Can't you see, call me crazy but
You're scared of the risk

No intuition
To feed my soul
I'm trapped behind these walls
But I'll pack my bags and bid farewell
To everything that I know, I know

Have you ever felt trapped
Or tied down
Have you ever felt stuck
Or tied down
Have you ever felt trapped
Or tied down
Have you ever felt stuck
Or strapped down

What have we got to lose
Can't you see, call me crazy but
I can't live like this
What have we got to lose
Can't you see, call me crazy but
You're scared of the risk
What have we got to lose
Call me crazy, I'm crazy yeah
