[Daz]

Yeah, and I've been expecting you too motherfucker

Yeah, yeah, yeah

Yeah, yeah, yeah

Throughout the world you heard the sound of gun  
shots

Buckin' niggaz down on every corner and every street  
block

The feud has escalated into an all out war

All thugs and pimps and hustlas

Suckas and wannabe bustas try to determine

Who shall live and die among us

As the root prayed on the strong

And the strong prayed on the weak

Who shall determine to be that ultimate G

Is it you, or is it you?

Or will you sell your soul like the bitch nigga you are

Or ride wit the Dogg Pound nigga

For the wrong or the right cause

You know what time it is nigga

DPGC: U Know What I'm Throwin' Up

So all my niggaz blaze up that mutha fuckin' dope  
Smoke with me, drift with me into my world  
The world of gangsta shit  
Y'all niggaz know what time it is  
Servin' suckas on a faulty platter  
Like to say what's up to that bitch ass motherfucker  
Transformin' ass, decpti-con, bitch ass motherfucker:  
Krupt "Dumb" Gotti  
Is that homies is fo'?  
Tell me nigga, Is that homies is fo'?  
Ain't no comin' back nigga  
You kicked off the set, yeah  
Only thing you can do for me nigga is gon' dat nigga  
[Fuck Suge Knight] yeah  
But you ain't got no heart like dat, I do  
So when I see all y'all  
It's on on sight  
Yeah, and I'll Beacho Azz nigga  
SWITCH
