Man Iâ€™m so broke it ainâ€™t a joke
Some people got rims I got spokes
Iâ€™m working with change
they got notes
And I donâ€™t know how much
longer I can cope
Iâ€™m about to fall over the edge
Iâ€™m in deep way over my head
When I get ten pounds
I make it spread
Cuz that gyro check ainâ€™t
hardly no bread
When your broke like us
you donâ€™t joke much
Only window shop,
look donâ€™t touch
Ask the price of stuff
then say how much
Nah wait there how much?

[Bridge]

How long would you last
Without no cash
In this fast moving world
Could you really survive,
all the problems within

[Chorus]

Better get moving if you want
that, bread is there for the taking
Better get your share
Monies for making, what Iâ€™m
saying, if youâ€™re sleeping
you ainâ€™t eating
How you goin to cope if you donâ€™t stack those notes u
need to learn
to be a pioneer you can find a
way to make it through the day

Another day, another red letter

From some debt collector
Over something Iâ€™ve done,
got in debt for
Coming over my house to
apply the pressure
Yelling through the letter box
â€œOne day we gonâ€™ getcha!â€
Acting like I ainâ€™t home
Till theyâ€™re gone
Everybody I knowâ€™s broke
I canâ€™t get a loan
Iâ€™m trying not to loose focus

Buts itâ€™s hopeless
I get served an eviction notice
And the landlord wants
me out on my ear
Gave me ten days to pay
or i'm outta here
I really need to clear up my arrears
Before I end up, sleeping
in a park somewhere

[Bridge]

How long would you last
Without no cash
In this fast moving world
Could you really survive,
all the problems within

[Chorus]

Better get moving if you want
that, bread is there for the taking
Better get your share
Monies for making, what Iâ€™m
saying, if youâ€™re sleeping
you ainâ€™t eating
How you goin to cope if you donâ€™t stack those notes u
need to learn
to be a pioneer you can find a way to make it through
the day

I know suffering I fell your pain
Itâ€™s hard to keep the
cheddar coming in
Wanna survive, then youâ€™ve
gotta stay hustling?
Struggling chasing the doe
Just keep stacking that paper

and making it grow

But I find it hard for me to cope
Even when Iâ€™m paid
Iâ€™m always broke
I got more going out than
Iâ€™ve got coming in
Canâ€™t buy certain things
no bling bling
No 20â€™ rims spinning, just
a sinking feeling
No this canâ€™t be living I
need at least a million
[Outro Choruses x2]
