Ladies and gentlemen, boys and girls
It is my pleasure to introduce to you all
The finest, the brightest
The meanest, the strongest
The very best of them all
The south London collective group, known as
For goodness sake Roger, who is it?

This is Big Bro, Bro
Taking over the show, show
With this new flow, flow
You need to listen up

And feel this shit, shit
'Cause we won't quit, quit
We make them hits
And stack them chips

It's flawless, I came for the doe
As soon as I step in the door
I see that you're hating my glow
The crew, the flow we're soon to blow

We're tired of being this poor
And having to sleep on the floor
And working a 9 to 5
Just like a five dollar whore

Knowing we're worth more
We simply had to settle the score
That's why you see these albums
And the singles in the store

It's Big Brovaz, baby
Trying to cash some major figures
You mess with my cheese
And I'll switch just like Schwarzenegger

This is Big Bro, Bro
Taking over the show, show
With this new flow, flow
You need to listen up

And feel this shit, shit
'Cause we won't quit, quit
We make them hits
And stack them chips

It's Dion, I bet you won't forget my name
I probably maybe gonna
Get inside your brain

My family does the same
It's B B's time to reign
We're doing them platinum things
I know you ain't ready for me

You move you lose
Can't wear my shoes
Cherise brand new
Me and my crew

Don't try our flow
If your tongue don't roll
You'll lose control
We're just way too cold

This is Big Bro, Bro
Taking over the show, show
With this new flow, flow
You need to listen up

And feel this shit, shit
'Cause we won't quit, quit
We make them hits
And stack them chips

Hey yo, this is Jay Rock
And I've got more
Skill's than average
Put us together man
We're more than all of yawl can manage

'Cause we be the baddest at it
This hit took years of practice
And now we're showing more
Money and it's more madness

Stack up on a daily basis
We've traveled so many places
Switching so many chicks
Were mixing up the names with faces

They see the ice and they trip
They like to ride in the whip
But all I wanna know is
If these girls is riding the, ahh

Who?s, who?s, who?s this?

This is the N.A.D.I
You didn't think I was coming at ya
Giving you people a different
Kind of big brother flava

I bet yawl didn't think
I be riding these beats and making the paper
But I guess that I?m a paper chaser playa
And it?s in my nature

This is Big Bro, Bro
Taking over the show, show
With this new flow, flow
You need to listen up

And feel this shit, shit
'Cause we won?t quit, quit
We make them hits
And stack them chips

This is Big Bro, Bro
Taking over the show, show
With this new flow, flow
You need to listen up

And feel this shit, shit
'Cause we won?t quit, quit
We make them hits
And stack them chips

Uh, huh
(Woman)
Uh, huh
(Man)
Uh, huh
(Woman)

Uh, huh
(Man)
Uh, huh
(Woman)
Uh, huh
(Man)

Who's, who's this?
