OK is what you say when  
you're ready to ball  
We're too hot for club  
they ain't ready at all  
And if you come to party  
then get up off the wall  
Quick we don't slip,  
make hits on a regular  
Club spots get rocked  
when we come in  
Ok round my neck and wrist  
I'm looking stunning  
About to go by the bar,  
are you coming

OK now let me tell you  
what this song is all about  
Party people let me hear  
you scream and shout  
Without a doubt  
Cause I am about to  
turn this whole party out  
I know that you're feeling this  
Cause I see you bumping  
all your heads to this  
Especially the men cos  
they be feeling this bliss  
Cause they see the ladies  
all shaking their hips  
Don't just stand there, throw  
your hands up in the air  
And you sitting down just  
get up off the chair  
You don't see a party  
going on over there

Chorus

If you got a job and  
money in your pocket  
Let me hear you say (OK!)  
All my ladies if y'all don't care

Let me hear you say (OK!)  
And if that's your car  
parked outside the  
Bar let me hear you say (OK!)  
And if you're dressed to  
impress, you don't take stress  
Let me hear you say (OK!)

Well it's the year 2G,  
gotta get your own  
Gotta have your home  
get your phone  
Getting money from your  
man that's a NO NO  
Gotta get a job so you get paid  
Gotta get a man so you get,  
I know you understand  
Now for the men gotta  
ditch your friends  
Gotta meet your ends.. so  
you can drive a new benz.  
Move out your mum's  
gotta get some garms  
Gotta fix up be a real man.  
So.....

Chorus

If you got a job and  
money in your pocket  
Let me hear you say (OK!)  
All my ladies if y'all don't care  
Let me hear you say (OK!)  
And if that's your car  
parked outside the  
Bar let me hear you say (OK!)  
And if you're dressed to  
impress, you don't take stress  
Let me hear you say (OK!)

Pulled up on chrome,  
left wifey back at home  
Got some fresh gear, and  
all kinds of ice on  
Gotta pocket full of doe, you know  
If you got the same things  
Let me hear you go, Okay  
We're gonna party till  
the break of day  
B B coming through,  
and we're here to stay

Better make way  
And if you got game,  
its time to play  
I'm trying to find me a dime  
That just say, okay

Chorus / Outro

Additional and co-production by BJ and Mike Soul  
Mixed by Stephen Fitz-Maurice  
Assistant engineer: Tim Briley
