OK now let me tell you  
what this song is all about  
Party people let me hear  
you scream and shout  
Without a doubt  
Cause I am about to  
turn this whole party out  
I know that you're feeling this  
Cause I see you bumping  
all your heads to this  
Especially the men cos  
they be feeling this bliss  
Cause they see the ladies  
all shaking their hips  
Don't just stand there, throw  
your hands up in the air  
And you sitting down  
get up off the chair  
You don't see no party  
going on over there

Chorus

If you got a job and  
money in your pocket  
Let me hear you say (OK!)  
All my ladies if y'all don't care  
Let me hear you say (OK!)  
And if that's your car  
parked outside the  
Bar let me hear you say (OK!)  
And if you're dressed to  
Impress and you don't take stress  
Let me hear you say (OK!)

Pulled up on chrome  
left wifey back at home  
Got some fresh gear  
and all kind of ice on  
Gotta pocket full of  
doe, you know

If you got the same things  
Let me hear you say ,Okay  
Were gonna party  
till the break of day  
Big bro coming through  
and were here to stay  
Better make way  
And if you got game  
its time to play  
I'm trying to find me a dime  
That Just say ,Okay

Well it?s the year 2G,  
gotta get your own  
Gotta have your home  
get your phone  
Getting money from your  
man that?s a NO NO  
Gotta get a job so you get paid  
Gotta get a man so you get ,  
I know you understand  
Now for the men gotta  
ditch your friends  
Gotta meet your ends...  
So you can drive a new benz.  
Move out your mum?s  
gotta get some garms  
Gotta fix up be a real man.  
So.....

Chorus

If you got a job and  
money in your pocket  
Let me hear you say (OK!)  
All my ladies if y?all don?t care  
Let me hear you say (OK!)  
And if that?s your car  
parked outside the  
Bar let me hear you say (OK!)  
And if you?re dressed to  
impress, you don?t take stress  
Let me hear you say (OK!)

Chorus

If you got a job and  
money in your pocket  
Let me hear you say (OK!)  
All my ladies if y?all don?t care  
Let me hear you say (OK!)

And if that's your car  
parked outside the  
Bar let me hear you say (OK!)  
And if you're dressed to  
impress, you don't take stress  
Let me hear you say (OK!)

All my ladies say OK
