Oh yeah!....you know what?
Iâ€™m envisioning,
Pretty women, Rims spinning
All my homies dressed
In expensive Linnen

It ainâ€™t a dream
Thatâ€™s the life weâ€™re livin
Movâ€™in up to a new position

People used to look
And be like, I ainâ€™t
never gonna be shit
Thatâ€™s until I gotta
6 Hundred, v dozen full y equipped whip
And I never stop stacking chips
Fool, got bling in the chain
Got bling on the wrist
And this type of life is priceless
Cause ainâ€™t nothing
on earth like this
What you know

[Bridge]

When itâ€™s hot it gets crazy,
we pop Krystal on a daily
Just me and my ladies, we
know how to make you move
your feet to the beat
Can you feel the heat tell
me sisters do you feel me
brothers roll with me

[Chorus]

Summertime is the time youâ€™ve been waiting for oh
yeah!
Thereâ€™s always a party
somewhere round the
way - oh yeah
Summertime is the time youâ€™ve been waiting for oh

yeah!

There's always a party somewhere round the way - oh
yeah

Boys and girls, go
find yo friends
Ladies and gentlemen,
call your partners
Let them feel this time
of year again
Don't be scared to shout
Come on and move yo
body lets all get down
Tap yo feet to the beat
Come on and party with me

It's a pretty hot day and all I wanna do is play with the
homies from
around the way okay!

Hater's better stay in the crib if they wanna come
spray Mac 10's and tech
9's all the time, see we trying to have fun and it
doesn't matter where
your from, so if you strap Please don't come out
with your Guns see us having a party sipping on
Bacardi.

Me and my family don't hate us look we are making
papers we simply the

get off your chair
and throw your bows in the air We repping southside

[Chorus]

Summertime is the time you've been waiting for oh
yeah!
There's always a party somewhere round the way - oh
yeah
Summertime is the time you've been waiting for oh
yeah!
There's always a party somewhere round the way - oh
yeah

Sexy guys in their convertibles
Oh and how they're checking you
Coz they wanna know who

you are when in the sun
Its unbelievable all eyes, they
be watching you coz they want you're name and
number

Ain't nutten but riding going
on, ball out to my song
I done got me a hot whip
Now I got them hot chick
stripping down to their thongs
Don't hate me, cuz I'm on top baby that's just
where I belong
So long Big Bro's bin waiting for their time to perform,
you get me
And now it's popping its
gonna get real messy
Don't think were crazy fools
cuz we role around town
rocking crazy jewels
We already dun paid our do's now Big Bro's the
family

Only got one motto
"Never to lose"
Get your hands in the air
now follow the rules

[Chorus]

Summertime is the time you've been waiting for oh
yeah!
There's always a party
somewhere round the way
Summertime is the time you've been waiting for oh
yeah!
There's always a party
somewhere round the way
