I thought that this was for real,  
I thought that you were the one  
Believe every word you said  
Now it's come undone  
(yo it's over)  
Its got so complicated  
I know I can't explain it  
But your all I need (all you need)  
And I'll always be...  
Yours Fatally  
Lost for a while indenial  
How you fooled me  
Play with my mind  
Why did you do it  
What did I do to deserve this  
Hurt and pain over and over and over again  
You know you got me weaker  
Intoxicated now  
So I just keep on playing  
All the games that you laid out oooh  
What about us  
I just can't give you up  
Even though it's hurting baby I'll do anything to feel  
your touch (yea yea)  
CHORUS  
I thought that this was for real,  
I thought that you were the one  
Believe every word you said  
Now it's come undone  
(yo it's over)  
Its got so complicated  
I know I can't explain it  
But your all I need (all you need)  
And I'll always be...  
Yours Fatally  
(Hit It) Damn how did I let it get to this  
I should have never kissed and got intimate with this  
chick  
I wish that she could see that our affair is over with  
She said her hearts broken, she'll never get over it  
My girlfriends like who that textin it (rite)  
Why you go outside to check your messages

I couldn't tell her I was messin with this chick but should  
of come back and made it obvious (screaming this)  
(you know) You know you got me weaker  
Intoxicated now  
So I just keep on playing  
All the games that you laid out oooh  
What about us  
I just can't give you up  
Even though it's hurting baby I'll do anything to feel  
your touch (yea yea)

CHORUS

I thought that this was for real,(uh huh)  
I thought that you were the one(uh huh)  
Believe every word you said (yea)  
Now it's come undone  
(yo it's over)  
Its got so complicated  
I know I can't explain it  
But your all i need (all you need)  
And I'll always be...  
Yours Fatally  
(Oooo she's crazy)  
Man im fed up puttin chicks down  
Why did I stray, why did I play now what do I say  
Her names every day on my quarter display  
Telling me she in love and I cnt get away  
I call her begging her to leave me alone  
I say I got a wife and we in the zone  
Right then I could sense a change in the tone  
Cause the bitch started crying all crazy on the phone

CHORUS

I thought that this was for real,(uh huh)  
I thought that you were the one(uh huh)  
Believe every word you said (yea)  
Now it's come undone  
(yo it's over)  
Its got so complicated  
I know I can't explain it  
But your all I need (all you need)  
And I'll always be...  
Yours Fatally  
(fatally)
