## TRANSLATION

JJ:

Memories stained with tears, your voice rings in my ears.

Hidden by color, I'm getting exhausted, I keep seeing your eyes

Changmin:

In my heart it's raining and it has been covered with rust

Now I remain as one piece of puzzle, and you are calling me.

Chorus:

Micky:

Evergreen, evergreen. Like an inexperienced fool, I lived without seeing the love you were giving me

Junsu:

From now on I won't let you cry;

I'll be the warmth that covers any sadness and embrace you

Yunho:

My heart that beats like crazy, and

The rain has disappeared and it has all become clear.

Junsu:

Hoping you'd be there listening, at the end of this road  
My eyes are looking for you I wonder if you are  
listening to it, somewhere

Chorus:

JJ:

Evergreen, evergreen. Like an inexperienced fool,  
I lived without seeing the love you were giving me  
From now on I won't let you cry;  
I'll be the warmth that covers any sadness and  
embrace you

Micky:

Without you, I can't see anything

Yunho:

Without you, I can't hear anything

Junsu:

Don't cry, though you're alone without me now  
I'll embrace you and wipe away your tears

Chorus:

Changmin:

Evergreen, evergreen. Like an inexperienced fool,  
I lived without seeing the love you were giving me

JJ:

From now on I won't let you cry;  
I'll be the warmth that covers any sadness and  
embrace you.
