Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

Make me move. So make me move.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

I like to think that I'm a smooth guy, my way with words
and on the floor I can move like it's natural.

Some people say that I'm a sly guy, well that's a lie,
lonely people make a lot of noise.

So baby can you see us, in the middle of the room,
making everyone respect what they see.

So baby can you see us, oh just dancing in the limelight
now baby get your step on with me.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

Make me move. So make me move.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

Make me move. So make me move.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

Make me move, don't stop girl, baby I'm ready to step,
so get your step on.

(Baby can you see us)
