Turn up the lights, let's go
Everybody in the house you know
Yeah
It ain't complicated
Everybody in the house let's go!
I know
It's time
It's staring the back of my mind
I think I finally found the answer
It's like that in back of your mind yeah!
And I
I can remember
All of the things
We used to do
Those days are gone
I know
The world won't stop spinning
'Till I take control
And I leave it all behind
Don't make it all on my own
I'll be what I thought I couldn't find
But all
I know
Those days are gone
Yeah
Yeah
Uhuh
Uhuh
C'mon everybody let's go
Those days are gone
Sit tight
As I break it down for you
Real simple yeah it's time you know
Those days are gone
Those days
Those ways
Of living life are gone when the life goes up
Those days are gone
The world don't stop spinning for a moment
Girl you better step it up
(That's right you know how I do)
