(Bad Girls - Juliet Roberts)

Bad girls (bad girls)
Talking about the sad girls (sad girls)
Sad girls (sad girls)
Talking about bad girls, yeah

See them out the street at night (walkin')
Picking up on all kinds of strangers (if the price is right)
You can score (if you pocket's nice)
But you want a good time

You ask yourself
who they are
Like everybody else
They come from near and far

Friday night and the strip is hot
Sun's gone down and they're about to trot
Spirit's high and they look hot
Do you wanna get down
Now don't
you ask yourself
who they are
Like everybody else
they wanna be a star

Sad girls, sad girls
You such a dirty bad girl
Beep-beep, uh uh
You bad girl, you sad girl
You such a dirty bad girl
Beep-beep, uh uh

Now you and me, we are both the same
But you call yourself by different names
Now you mama won't like it when she finds out
The girl is out at night
Hey mister, have you got a dime
Mister do you want a spend some time, oh yeah
I got what you want

You got what I need
I'll be your baby
Come and spend it on me

Hey mister
I'll spend some time with you
With you, you're fine with you
Bad girls, beep beep
Bad girls, beep beep
Hey Mister
Hey Mister
