kaitentou kara nai gengo haitenshon to katai tenpo  
I sendou suru jaiken go kara daikenkai senhou!  
kaitentou kara nai gengo haitenshon to katai tenpo  
I sendou suru jaiken go kara daikenkai senhou!

Nonsense language from a rotating head, high tension  
and a firm beat.

From a 5-match janken match I guide comes tactics for  
big opinions.

sanjuugo plus yon waru ni sura wa jikenu konpa  
sukitachi ni  
ssari donkaku ni ne jikomusabaketa ongaki wa  
dokkara doko made kabunkaran hatena wa onwaketa  
riyuu da  
doitsu to koitsu no chuukuri ga tarashita kanfuki na

35 plus 4 divided by 2, the partygoers who don't burst  
open don't know,  
This sociable sound demon screwing into an obtuse  
angle easily,  
They dunno where from or where to, but anyway he  
divided the sound.  
Everyone's winding chatter is a dangling handkerchief.

dendan henka tsuketa denpa ni noru taihen baka keta  
hatsuken ni ya  
guu wo tsukuri ya jin kakusura kawaru tei ni agaru shin  
hakushu wa  
tappuriako gita ga ni yo ibou wo nigiru den to chikara  
doushite umareta toki kara tsuzukete kita kono asobi  
kata!

An alteration in the radar and in the nonsense coming  
over the airwaves,  
If you start snorin', your heartbeat that's goin' up as  
much as your personality changes

Is really greedy, but there's power and land of the  
priest's staff  
And since I was born, I've kept on playin' like this.

kaitentou kara nai gengo haitenshon to katai tenpo  
I sendou suru jaiken go kara daikenkai senhou!

From 3rd street to 4th streeth, from main street to the  
carnal desires,  
Pack up the duties left to you, take it all gently,  
Really, you don't have to worry if you extend over to  
this slow train.  
Don Pach Don Pach Don Today, on this Japanese island  
where they're sexin' it up.

That time, that time, I give respect, we'll break it all  
apart, yo, just like this example.
