(Dam dariram - joga)

fall in love...

fall in love...

I need your love in every way
And I feel this everyday
Cause I have too many tears
To fall in love again

Now

I am walking around
In this side of the tow
I just can't hideaway
How can I look in your eyes
When I feel like to die
I have to runaway

Daririram dariram dariram

Darirari rariram

Dariraram dam

Dariri

Ram dariram dariram

Darirari rariram

Dariraram dam

And fall in love again

And fall in love again

fall in love...
