(Do it all night - E-rotic)

Oh do it all night
Do it with me
I'll take you to heaven if you make me feel free
Baby do it tonight
Do it all right
Just take me and shake me till I burn up inside

You may have good sex
With Sam and Fred and Fritz and Max
You may be the slave
Of Tim and Tom and Ed and Dave
You may do it again
With Hans and Franz and Jack and Ken
But you're gonna feel so free
When you're doing it with me

Oh do it all night
Do it with me
I'll take you to heaven if you make me feel free
Baby do it tonight
Do it all right
Just take me and shake me till I burn up inside
Oh do it all night
Do it with me
As hot as a fire and as strong as a tree
Do it tonight
Do it allright
You got it - knew it - you can do it tonight

(As hot as a fire)
(and as strong as a tree)
(Come on, do it with me)
