(Hero - Papaya)

A la di da da
You are my hero
A la di da da
Oh oh oh
A la di da da
You are my hero
A la di da da
Oh - a hero

In the middle of the night
My hero comes to rescue
He's so fine
I'm gonna make him mine
He's sincere
I know his heart is beating
Just for me - only for me

But at the break of dawn
He is gone
The wind has carried him away
I like a comet on the sky
He will return - someday

You're my hero (oh)
I love you
And all I want to know
Is if you love me too
You're my hero (oh)
I like you
Oh won't you take me away
And make my dreams come true

A la di da da
You are my hero
A la di da da
Oh oh oh
A la di da da
You are my hero
A la di da da

Oh oh oh

A la di da da
You are my hero
A la di da da

He's my lover, out of sight
And he will come and save me
I can feel
His love for me is real
I don't know if he can here Me praying - din't let go
Never let go
