(I believe in miracles - Hi-rise)

*

I believe in miracles, baby, I believe you
I believe in miracles, baby, I believe you

They say the day in ending,
let's watch the sun go down
And plan a holiday for two
For all eternity I'm gonna come so you can see
The world I've created just for you
I saw you standing on the street,
I wanted to make you suffer a while
You gave me a smile to say hello
You're everything,
so good inside that I realized
That I don't hide to fit in the game
when you felt the same

**

I believe in miracles
I believe in miracles
I believe in miracles
Don't you
La, la, la, la, la....

* Repeat

I don't know why people are sayin'
all the things they are sayin'
They're playing the same old game on me

People never tellin' where they're goin'
What they're showin'
Come on boy, show a little love on me

** Repeat

Here we are together face to face forever
Got a place that I've created just for you, you, you
Have faith in what you feel,

believe in Jesus, he can feel
One day soon a miracle will come true

** Repeat
