(If you can say goodbye - Kate project)

If you can say goodbye
Baby tell me why

You say that love's not a possession
You say that love needs fantasy
You say we must give it devotion
But you don't say that you love me
Sometimes I wonder what I'm doing
Sometimes I am cold and serious
But when you touch my body and close your eyes
My little bady I don't realize

If you can say goodbye Baby tell me why
You don't wanna love me
Just like I do
You can say goodbye
Tell me what I've got to do

If you can say goodbye
Baby tell me why
You don't wanna love me
Just like I do
You can say goodbye
Tell me what I've got to do
