(It only takes a minute - Tavares)

It only takes a minute girl
To fall in love to fall in love
It only takes a minute girl to fall in love
Let's fall in love

What's an hour of the day
We throw at least one away
Walk the streets half year
Trying to find a new career

Now if you get a flu attack
For thirty days you are on your back
Through the night
I send you debts
Baby give me half a chance

It only takes a minute girl
To fall in love to fall in love
It only takes a minute girl to fall in love
Let's fall in love

It only takes a minute girl
To fall in love to fall in love
It only takes a minute girl to fall in love
Let's fall in love
