(Keep on movin' - N.M.R)

Keep on, keep on, keep on, keep on doin' year!

All new happy on your own.

(Keep on, keep on, keep on Oh!)

Keep on, keep on, keep on, keep on doin' year!

(To way hurt my love)

All you goes bad. All you goes look down. Hoo!

All fade escort dreaming. Dah-ha.. Why don't he get air.

What you feel what there. You got some much life.

But don't looks luck. Than car please thank you.

Yeah! You want to the same day. Put you need get on way.

Now did he don't care about pressing. They need gonna better bad time.

Because this morning you mind. And got your body, Comon!

In emotion! As a molding to flowing groove is funky.

Keep on, keep on, keep on, keep on doin' year!

All new happy on your own.

(Keep on, keep on, keep on Oh!)

Keep on, keep on, keep on, keep on doin' year!

(To way hurt my love...)

All you goes bad. All you goes look down, Hoo!
