Something that'll, make you shout,  
you play the crowd and make you want to turn it out  
So honey's gather round  
I'll pick you up and take you on go pound for pound  
'Cause I'm the only man who'll please ya  
I got a little something that tease ya

So throw those hands up high,  
shake your body move from side to side  
'Cause we've just begun,  
party people in the place yeah we're having fun  
Oh yeah I'm gonna be a big star  
I'm gonna lay it on and go 'woo-ha'  
Cause when the move gets excited  
when everybody's kung fu fighting

And right before his eyes sees a pretty young thing  
looking real fly  
He wants to make the score so he takes her hand and
