(Love - Sonic dream)

Love, I just gotta have it
I believe in - Love
Come let it go!

What a big surprise,
It finally happened to me.
Now I realize,
just how good love can be.

Couse when we dance together
you're like a dream come true.
I feel so beautiful
and hot inside
oohh, it's all 'cause of you,

Love, I just gotta have it
I believe in - Love
I can't be without it
Come to me and make your confession
Love - Come let it go!

Can you read my thoughts
Do you know how I feel
(do you know it's real)
Can we go some place
And find out if it's for real.
Couse when you make love to me
you're like a dream come true.
I feel so beautiful
and hot inside
oohh, it's all 'cause of you,

Love, I just gotta have it
I believe in - Love
I can't be without it
Come to me and make your confession
Love - Come let it go!
Love - Come let it... Love!
