(Oh nick please not so quick - E-rotic)

Oh Nick please not so quick
You know I want it big
I wanna feel like in heaven
Just like in heaven
Oh Nickie not so quick
You know that makes me sick
I wanna feel you forever

Aah aah aah aah
Nickie (Nickie)
Nickie (Nickie)
Baby let's come together
I wanna feel you as long as I can

You are so sweet - and I feel the heat
You are the one you're the one that I need
Oh yeah yeah baby do it to me
I wanna feel you deep wanna feel you so deep
Baby hold me tight baby hold me just tight
I can't stand stand stand it all night
I want you - and you know it's high noon
I'm come - come - coming real soon

Oh Nick please not so quick
You know I want it big
I wanna feel like in heaven
Just like in heaven
Oh Nickie not so quick
You know that makes me sick
I wanna feel you forever

Aah aah aah aah
Nickie (Nickie)
Nickie (Nickie)
Baby let's come together
Cos I wanna feel you as long as I can
