(Silent hill - Thomas Howard)

Lights on the avenue
All seem so far away
I'm up here drinking a toast to you
On such a special day

Tonight is the night for
I love you's
Wish we could have this feeling
Throughout the year
Christmas is here
Christmas is here

Tonight is the night for
I love you's
And if you hold me near you
You'll feel my heart beating for two
Tonight is the night for
I love you's
Up above the snow is falling
And stars disappear
My heart is calling
Christmas is here
