(Smoke - Mr. ED jumps the gun)

Uh uh uh, uh uh uh uh, uh uh uh, uh uh  
It's a new style

The time travel kick us back to 1972  
We find a sack in a zack all bein' playin' subdued  
Who turns in Roger, Ritchie and John  
They left you on a bed 'til everybody is done  
And no tale of cold tailor (look here is here, grab a can,  
it's clear)  
See leaver believer (is that right my dear)  
Hurry, God you'll miss the... where to check it out...  
Past the gates of the live enough DM down

Smoke on the water,  
a fire in the sky  
Smoke on the water,  
freeze,  
19 degrees  
I said, freeze,  
19 degrees  
oh Japanese

On top of all the water shown... taste the wind...  
And it smells really good  
Mr. OJT began should we be MCO...  
So listen in now, we got the Japanese flow (only two)  
Sweet feel high now down by the floor...  
Oh teach me tai-chi, oh and don't be so shy (hush hush)

\*

Smoke on the water, a fire in the sky  
Smoke on the water, freeze, 19 degrees (uh huh)  
I said, freeze, oh Japanese  
Freeze, 19 degrees  
I said, freeze, oh Japanese

Here comes Godzilla...  
Come on and rock the house, come on and rock the  
house (oh)

Here comes Godzilla...  
Come on and rock the house (the killer)

\* repeat

Uh uh uh, uh uh uh uh, uh uh uh, uh uh  
Uh uh uh, uh uh uh uh, uh uh uh, uh uh
