We'll be singing
When we're winning
We'll be singing

I get knocked down, but I get up again
You're never going to keep me down
I get knocked down, but I get up again
You're never going to keep me down
I get knocked down, but I get up again
You're never going to keep me down
I get knocked down, but I get up again
You're never going to keep me down

Pissing the night away
Pissing the night away

He drinks a whisky drink
He drinks a vodka drink
He drinks a lager drink
He drinks a cider drink
He sings the songs that remind him
Of the good times
He sings the songs that remind him
Of the better times:

"Oh Danny Boy... Danny Boy... Danny Boy..."

I get knocked down, but I get up again
You're never going to keep me down
I get knocked down, but I get up again
You're never going to keep me down
I get knocked down, but I get up again
You're never going to keep me down
I get knocked down, but I get up again
You're never going to keep me down
I get knocked down!

Pissing the night away

Pissing the night away

He drinks a whisky drink
He drinks a vodka drink
He drinks a lager drink
He drinks a cider drink
He sings the songs that remind him
Of the good times
He sings the songs that remind him
Of the better times:

"Don't cry for me
Next door neighbour..."

I get knocked down, but I get up again
You're never going to keep me down
