There is something in the air
Love is coming with emotion
And she is flying in the night
We will never be so lonely
In an empty ocean
(Is an empty ocean)

Shall we ever meet again?
Left my heart in Portofino
Share our passion through the night
Will I ever be allowed to be your Valentino?
(Valentino)

Mon Amour
I need your lovin', Mon Amour
It's magic when you, tell me babe
Cherie, Je t' aime
(Don't say that...)
(Oh, come on tell me babe)
Cherie, Je t' aime

Close your eyes and play the game
Girl our love will last forever
Stars are falling once again
Over my imagination as we dance together
(As we dance together)

Sweetest music in the air
Playing a song that only we know
Like a winter serenade
Will I ever be allowed to be your Valentino
(Valentino)

Mon Amour
I need your lovin', Mon Amour
It's magic when you, tell me babe
Cherie, Je t' aime
(Don't say that...)
(Oh, come on tell me babe)
Cherie, Je t' aime

Mon Amour

I need your lovin', Mon Amour
It's magic when you, tell me babe
Cherie, Je t' aime

Mon Amour
I need your lovin', Mon Amour
It's magic when you, tell me babe
Cherie, Je t' aime
(Tell me, tell me...)
(Oh, tell me, tell me babe)

Mon Amour
I need your lovin', Mon Amour
It's magic when you, tell me babe
Cherie, Je t' aime
(Don't say that...)
(Oh, come on tell me babe)
Cherie, Je t' aime
