They cheat, they lie, they pay, they buy  
Don't ask, don't think, don't act, don't blink  
Play dumb, good dog, shut up, King frog  
Cheap sex, cheap whore, cheap life, cheap core

WHERE IS YOUR DIGNITY?

You vote, your choice, they fear, your voice  
It's fake, it's show, it's dirty, it's low  
They laugh, they fuck  
You're scum, you suck  
They win, you lose, let's quit? you choose!

WHERE IS YOUR DIGNITY?

Try to refuse what you can't resist
