Hey hey, ayy

Excuse me shawty  
Got something to say  
Just tell your man  
Things have changed  
He can love ya  
But I'm your lover  
On the low  
Nobody has to know

I know you got a man  
But it don't stop  
Out front follow me  
Until we get to the spot  
I love it when you get on top  
I'm your lover  
He can treat you like he loves you  
But you know that I'm your lover  
I could fuck you like no other  
That's why I'm your undercover

I'm your lover (I'm your lover]  
I'm your lover girl  
I'm your lover (I'm your lover]  
He can't do you like me  
I'm your lover (I'm your lover]  
Let me show you what I mean  
I'm your lover (I'm your lover]  
I'm your lover

And there you are  
Sitting all alone (So bored]  
When your man is working late  
Who do you call? (You call me]

Your body be sexy, feenin' for me girl  
And nobody can put it down like me girl

I know you got a man  
But it don't stop  
Out front follow me

Until we get to the spot  
I love it when you get on top  
I'm your lover  
He can treat you like he loves you  
But you know that I'm your lover  
I could fuck you like no other  
That's why I'm your undercover

I'm your lover (I'm your lover]  
I'm your lover girl  
I'm your lover (I'm your lover]

He can't do you like me  
I'm your lover (I'm your lover]  
Let me show you what I mean  
I'm your lover (I'm your lover]  
I'm your lover

He can be your man  
But he can't do you like I can  
The way we  
Undercover  
He can be your man  
But he can't do it like I can (That's why..]

I'm your lover (I'm your lover]  
I'm your lover girl  
I'm your lover (I'm your lover]  
He can't do you like me  
I'm your lover (I'm your lover]  
Let me show you what I mean  
I'm your lover (I'm your lover]  
I'm your lover

I know you got a man  
But it don't stop  
Out front follow me  
Until we get to the spot  
I love it when you get on top  
I'm your lover  
He can treat you like he loves you  
But you know that I'm your lover  
I could fuck you like no other  
That's why I'm your undercover
