Ladies and gentlemen  
We got De La up in the house tonight  
They just walked up in here  
We gon' see if they can come up here  
And do a lil' somethin' for us

Yo, it's star studded in here  
I'm on the moon like the first man  
First can I grab? Is gon' get it  
She all independent but want her throat wetted

Tight from the floor to height  
See I saw the night, in dream  
Bubbles I fiend to see double  
So I sip until my bladder bust

You in V.I.P., so why you mad at us?  
By-stand, I'm in the world fox-trottin'  
Gettin' my Fred Astaire on, follow my lead girl

Me and you come over  
We do it like the cha cha  
Just like we at the Copa, Cabanga

Me and you come over  
We do it like the cha-cha  
Just like we at the Copa, Cabanga, uh-huh

For all my niggaz runnin' around like the mothership  
landed  
Or is it because there's some others who handed  
Their daughters over to the night life?  
Yes, we tryin' to find a night wife to get wit

Interface with they whole clique, I force the draft  
I get the first pick, run this easily  
[Incomprehensible] rule like D, Joey and Jay  
Around the way, we're goin'  
But first tell all these women who ain't knowin'

Me and you come over  
We do it like the cha cha

Just like we at the Copa, Cabanga

Me and you come over  
We do it like the cha cha  
Just like we at the Copa, Cabanga, uh-huh

Me and you come over  
We do it like the cha cha  
Just like we at the Copa, Cabanga

Me and you come over  
We do it like the cha cha  
Just like we at the Copa, Cabanga, uh-huh

Yo, I talk no shame upon this  
I got aim all on this to shoot and score the trout  
Who's actin' all cute and out of position, while I'm  
wishin'  
To get her bottom limbs arched like a grasshopper  
Puttin' in work to make it last proper

Ninety percent of the time is on my mind frame  
So I'm game to reign up to par  
While my fam runs it cool up at the bar, I stay  
clearheaded  
Lettuce enough cheese to get shredded

We like Navy Seals lookin' for the gold  
Our natural appeal got them others on hold  
Them girls dealin' with us tonight  
Came with the large appetite and got served

Got nerve to think less  
You can bless me and my kinfolk  
Rushin' up against my yolk-sac promote that  
Pimp play upon how we get it on for real, real

Me and you come over  
We do it like the cha cha  
Just like we at the Copa, Cabanga

Me and you come over  
We do it like the cha cha  
Just like we at the Copa, Cabanga, uh-huh

You see you hopeless up in the spot  
Talkin' a lot of champagne taste holdin' 40 ounce  
pockets  
Switch the sprocket to gear to top of the year  
We gon' drop it like confetti on it, get ready on it

Her fast ass wanna get all Andretti on it  
Makin' my main man poke like Trakmasterz  
Blazin'-trail, we Portland to Norton  
'Honeymoon', flicks don't exist in this

I sip a little left to twist spines together  
Vertical hold, we gon' combine together  
Even if we spill the love  
We got compliments up at the front door

Just tell 'em Dullah sent ya  
Thirty minute Tae Bo shit's, how I bench ya  
All on a Saturday night, step to life

I love the way Sally walk  
Bow legged in a two piece steel  
We live in New York  
We live in New York

Me and you come over  
We do it like the cha cha  
Just like we at the Copa, Cabanga

Me and you come over  
We do it like the cha cha  
Just like we at the Copa, Cabanga, uh-huh

Me and you come over  
We do it like the cha cha  
Just like we at the Copa, Cabanga

Me and you come over  
We do it like the cha cha
