Yeah, yeah, yeah, yeah  
Yeah, yeah, word  
Yeah, yo, oh yeah, yo word  
Yo, uh, yeah uh-huh

Yo, yo, yo, yo  
We got De La Soul in the house  
The producer Prince Paul and P.A. Mase  
Yo, and I want to know one thing  
Yo, yo, we gotta travel right up your hands

Let me hear you say aa-ow  
(Aa-ow)  
Say aa-ow  
(Aa-ow)  
Come on, come on, come on

Plug one on the mic  
P L U G O N E, yo, what's up?  
You know about Jimmy  
You know about Jenny  
I wanna hear everybody in this place

C'mon, say plug it up  
(Plug it up)  
Say plug it up  
(Plug it up)

Now, if you got somebody next to you  
With some bad-ass breath  
I want you to tell that brother

Come on, tell him, "Take a luuden"  
(Take a luuden)  
Say take a luuden  
(Take a luuden)

Plug two, oh, what's up  
Here we go  
If you like to drink some soda  
Let me hear you say Coca-Cola

(Coca-Cola)  
Coca-Cola  
(Coca-Cola)  
Stop

Ah yeah, pump it, pump it  
Ah yeah, pump it up  
(What you got, what you got , what you got?)  
Yo, if you got doo doo in your pocket  
You got doo doo in your pocket

Put one hand in the air like this  
Wave it back and forth, say doo doo  
(Doo doo)  
Say doo doo  
You want doo doo?  
(Come on, ah yeah)

Yeah yeah this is plug three  
This is plug three, yeah, say hoo  
(We're the, hoo)  
Say hoo  
(Hoo)

Hey, De La Soul, you fuckin' lasagne heads  
That's better than my mama's lasagne  
Hey, hey, come on, that was freakin' A, man

I really wanna take it back home with me, you know  
I really get into your fuckin' music  
It's so excellent, ah, you big sconszilli heads  
De La Soul's fuckin' great
