Attic

(It's Delacratic, it's Delacratic)  
If I want to I can jump off this building  
(It's Delacratic)  
I can hold two pieces of doo-doo in my hand  
(It's Delacratic)  
I can call everybody in that room a rubberneck  
(It's Delacratic)  
Come on, please  
(It's Delacratic)

I can say anything that I want  
(It's Delacratic)  
I could wave my hand in my air  
(It's Delacratic)  
I can stick my hand up my nose  
(It's Delacratic)  
I can hold my foot and count to three  
(It's Delacratic)  
I can do anything

Possie, Dovie, Masie
