Dove:

Standing on the corner building. seen the path.  
Looking at the corner streetlight, walking, and  
Waiting for my brother to come over and then  
Someone tapped me on my shoulder. 180 degrees i  
Did. oh my... what? oh oh!  
I didn't hesitate so I ran and I ran and I ran  
And I ran and I tries to catch a cab.  
(cab driver, fuck you)  
I ran into an abandoned building, I heard big  
Heavy breathing on my back I turned 180 degrees  
Again and oh oh! oh my god!  
Oh, I dashed and I dashed and I dashed and i  
Skipped into the bk lounge. I asked the lady if  
I could get a whopper. she was facing... she was  
Facing toward the back. she turned around...  
She stated: (can I take your order? ) oh chrissie!  
Once again, I dashed and I dashed and I dashed

To my pad. the phone started ringing, but  
Luckily my answering machine was on and with  
The quickness...  
(hey, how ya doing, sorry you can't get through)  
Yeah, saved by the ha ha ha. I went into the  
Shower. oh my... I heard the holler... I turned  
The water on and she was screaming... who could  
It be? what did she want from me? what did she  
Want from me? what did she want from me? she  
Was screaming and screaming and she had the tape  
In her hand. but I knew what she wanted. I knew  
What she wanted. I knew what she wanted.  
(please listen to my demo)  
(mumbled: and wit your wrinkled pussy)  
(I can't be your lover)
